PIN # 12345

DATE 4/2007

the Vaccine Worksheet for Receiving, Storage and Handling Incidents to Nancy Mumper, Division of Immunizations, (717) 214-7223 within five (5) days of the incident.

NOTE: A copy of the temperature log **MUST** be submitted with any storage incident (i.e. where the temperatures were recorded “out of range” and vaccines were wasted as a result). If the incident was the result of a “receiving error” please include the name of all parties involved.
